VOTER SAFETY GUIDE

Before you vote, please read through this entire guide, then print, including ballot-order recommendations. Bring it with you to the poll – you cannot use your phone.

You may vote at any vote center in the county – site lookup is at dallascountyvotes.org

1. Perform a "Voter Lookup" on yourself and check your status online.

- a. Find your sample ballot and mail-in ballot status under Voter Lookup at dallascountyvotes.org
- b. Check status. If you did not submit a request for a mail-in ballot, there should not be a reference to "Mail Ballot Status". If it says, "Mail Ballot Status", there will be dates of:
 - i. Application Received MM/DD/YYYY
 - ii. Mailed Date MM/DD/YYYY
 - iii. Ballot Received MM/DD/YYYY

2. Bring your ID to vote - Acceptable IDs include:

- a. Texas driver's license (not a limited term ID)
- b. U.S. passport
- c. License to carry

3. Bring TWO additional items:

- a. This 2-page Voters Guide (phones aren't allowed while voting)
- b. Voter registration card to verify your ballot has the correct candidates. Some voters have received incorrect ballots. Your card lists district number for: U.S. Representative, State Senator, State Representative, County Commissioner, Judges, City Council, ISD (School Board District)

4. Check for a preprinted number on your ballot

- a. This is required by law for audits and tracking purposes.

5. Verify there is an "HG" initial stamp (Early Voting) or Signature (Election Day) on the back of your ballot

- a. There should be ****no writing on the front**** until heading printed for you.

6. On completion of making voting selections, confirm the printed ballot matches your selections

- a. *****Check it before placing it in the tabulator for counting.**

7. Report any ballot issues immediately

- a. Speak to the PEO/Election Judge ****before**** inserting it into the tabulator.
